Resource Management Roundtable

Your Guides:
Alyson Poston and Hayley Surmann

Gold Sponsor

In other words is it:

GOOD resource management

Good RESOURCE management

Or

good resource **MANGEMENT**

AI Defined Resource Management as:

Resource management best practices include strategic planning, understanding your resource capacity and demand, allocating resources based on skills and priorities, fostering open communication and collaboration, and using data-driven insights to continuously monitor, adjust, and optimize resource use

Question:

Who can (or will) share their WORST experiences staffing or managing resources? (not with Clarity, of course!)

Question:

Do you have a dedicated Resource Management Office or is resourcing distributed?

Question:

How do you handle teams?

Question:

What values do you use to search for resources?

Question:

If someone were to start with Clarity, today, with resource management... What advice would you have?
