MUX Migrator

Save time and energy!

<https://regoconsulting.com/clarity-ppm-innovation/#mux>

MUX Migrator Overview

- Allows clients to migrate MUX configurations between environments and to push default views to Resources, Security Groups, and OBS Units. These configurations include:
 - Blueprints
 - Field Level Security
 - Views
- Creates packages of one-to-many components (Blueprints, FLS and Views)
- Migrations are done via JSON import/export
- Define and reset default grid views across objects
- Simple and easy to use UI

MUX Migrator Sample

- Save time and effort and keep track of deployment items utilizing the MUX Migrator custom object.
- Easily import the file into your environments to rapidly deploy changes.

Schedule Surveys and Select Recipient(s)

- Send surveys to specific groups, users, and investment level fields.
- Schedule surveys to be sent.
- Anonymize results.
- Max surveys to be sent if sending to a large group for feedback.

The screenshot shows the 'clarity' interface for configuring a 'Project Survey' (ID: S000001). The interface includes a left sidebar with navigation icons and a main content area with the following sections:

- Properties**: Includes a 'Survey Response' tab and a 'Collapse All' button.
- Summary**: Contains fields for 'Name *' (Project Survey), 'ID *' (S000001), 'Survey Type *' (Project), 'Survey Template' (Clarity: Project Manager ...), 'Survey Date' (Feb 13, 2023), and an 'Anonymize' checkbox.
- Investments**: A text field containing 'Survey Test Project 1; Survey Test Project 2'.
- Survey Recipients**: A section with three sub-sections:
 - Groups**: An empty text field.
 - Resources**: A text field containing 'Gille, James'.
 - Resource Fields**: A text field containing 'Investment Team; Manager; Sponsor'.

Survey Responses

- View Survey responses within the survey itself, or via a portlet looking across all surveys.
- Export data to analyze and triage feedback.
- Uses Clarity's existing security model so administrators may customize who is able to view results.

The screenshot displays the Survey Dashboard interface. At the top, four summary boxes show: Surveys Sent (10), Responses (7), Outstanding (3), and Avg Score (57). Below these, a table lists individual responses with columns for Name, Investment, Score, and Feedback. The table includes entries for Cooper, Andy (Score 100), Hensel, Ross (Score 50), and Roberts, Beth (Score 75). A sidebar on the left shows a list of users with checkboxes. The main content area is titled 'Survey Dashboard: All Surveys' and contains a table with columns for Survey, Template, Survey Date, Response Type, Response Status, Survey Type, Investment, Email, Resource, Score, and Feedback. The table lists several survey entries, all with a 'Responded' status. At the bottom right, it says 'Displaying 1 - 7 of 7'.

Surveys Sent	Responses	Outstanding	Avg Score
10	7	3	57

Name *	Investment	Score	Feedback
☐ Cooper, Andy	A Collaboration Initiative	100	Game-changer for our organization. It streamlined our processes and saved us valuable time and resources. Highly recommend!
☐ Hensel, Ross	A Collaboration Initiative	50	The project was implemented as expected, but it didn't bring any significant improvements to our operations. It was just okay
☐ Roberts, Beth	AC SAE Implementation	75	The team did an excellent job with the project. They were responsive to our needs and provided creative solutions to our challenges. Thank you!
